Summary

I'm Krishna Verma, a passionate software developer with continuous learning and problem-solving. From contributing to hospital and school management systems at PCBusiness Group to developing global-scale platforms like insuranceadvisor.com and cruisebooking.com at Jiffy Software Solutions. I mentoring upcoming developers. Let's connect if you're looking for a dedicated developer.

Experience

Web Developer

Jiffy Software Solutions Pvt. Ltd, Meerut, UP.

Jan 2024 – Oct 2025

- During my tenure, I worked on multiple technologies including HTML, CSS, JavaScript, Bootstrap, PHP, Laravel, Vue.js, SQL, MySQL, MongoDB, AJAX, OOPs, Git, and jQuery.
- I contributed to several projects such as insuranceadvisor.com (a search engine built using PHP, Laravel, and Vue.js) and cruisebooking.com (a search engine built using PHP, Laravel, and MongoDB).
- Along with development, I was also responsible for mentoring beginner developers.

Application Developer

PCBusiness Group, Meerut.

Aug 2020 – Oct 2023

- During my tenure, I worked on a wide range of technologies including HTML, CSS, JavaScript, Bootstrap, PHP, CodeIgniter, WordPress, SQL, MySQL, AJAX, and OOPs concepts.
 - I contributed to several projects such as 'Hospilite' software (a hospital management system built on PHP CodeIgniter), 'Schoocare' software (a school management system developed in PHP CodeIgniter), as well as CRM software, portfolio websites, and more.
